- (a) Laws made by the Legislative Assembly of the Cayman Islands which are in force or which have not yet been brought into force, which Laws have not been consolidated or revised.
- (b) Subsidiary legislation made by the Cabinet, or other authorised body, which is in force or which has not yet been brought into force, which subsidiary legislation has not been consolidated and revised.

GUIDE TO REFERENCES

1. Laws (which have not been revised):

These are referred to by their number and year of enactment and are indexed according to the number of the Gazette, the year of publication and the number assigned to the supplement containing the law-

eg "LG3/2019 s3" means issued as supplement No. 3 with Legislation Gazette No. 3 of 2019.

2. Subsidiary Legislation (which has not been revised):

These are referred to by their citation and are indexed according to the number of the Gazette, the year of publication, the number assigned to the Supplement containing such subsidiary legislation or, where it does not appear as a Supplement to the Gazette, the page of the Gazette on which it is. They are listed under the law or revised law under which they were made or by virtue of which they remain in force.

3. Revised laws and revised subsidiary legislation:

These contain in their short title a calendar year that indicates the year in which the revision took place. In respect of laws and subsidiary legislation which have been revised more than once, only the current revision is listed. The first page of each revision sets out the short title of the original law or subsidiary legislation and the number and year of the original law and of each amending enactment or the citation of the amending subsidiary legislation. Where such number or citation is followed by the word "(part)", this indicates that the amending enactment contains other provisions not relevant to and not included in that particular revision.

Each revision is referred to in the same manner as laws and subsidiary legislation.

4. Citation of dates:

Where a date is given, reference is made to the day, month and year in that order-eg 10.05.97 means 10th May 1997.

5. United Kingdom Acts of Parliament and United Kingdom Statutory Instruments

The UK Acts are referred to by a calendar year that indicates the year of enactment, followed in brackets by a chapter number which indicates the manner in which they are cited in the United Kingdom. United Kingdom Statutory Instruments are referred to by a calendar year

followed by a number that indicates the year in which they were made and the reference number by which they are cited.

6. Abbreviations:

- "C" means the chapter number of a United Kingdom Act of Parliament;
- "G" means the Official Gazette of the Cayman Islands;
- "GE" means an Extraordinary Gazette and is followed either by its number (1995 on) or by the date on which it was published (up to 1995);
- "GN" means Government Notice;
- "LG" means a Legislation Gazette and is followed either by its number (from 2019);
- "p" means a page of the Gazette;
- "s" means a supplement to the Gazette;
- "SL" means subsidiary legislation (from 2018); and
- "UKSI" means a United Kingdom Statutory Instrument.
- 7. All Laws and Acts are, in each Part, listed alphabetically, and immediately following each such Law, the subsidiary legislation made under it is also listed alphabetically.
